## By the Light of Day.

Past impossibilities the Facts of the Present—Help in the Near Era.

"I remember when they were putting up the poles for the gas telegraph line in the State of New York, and now look there! exclaimed a citizen of the metropolis in his friend's ear as he stood on the summit of the tall telegraph building in Broadway. The city is a strange world, like a hazy and electric communication miracle of the world, no longer wonder and laugh as it is that did at Morse when he first suggested its possibility. The age machine on and projectile must give way to the music of day it is demonstrated to a disease of the blood. Mrs. Henry B. Galt, 431 village avenue, N.Y., writes to Messrs. Hays & Co. of New York, proprietors of PARKER'S Tonic, that she has been completely disabled from rheumatism and pain in the back and limbs, she was advised to take the Tonic for kidney disease, she did so and her rheumatism disappeared. The reason is simple, disease of the kidneys produces rheumatic symptoms, cure them and you cure the rheumatism. This is now admitted by all intelligent physicians: it is the new light thrown on their time-worn and mistaken theories.

Hays & Co., Chemists, 431 Village Avenue, N.Y.

## HEALTH RESTORER.

THE wonderful cure effected by this new medicine, not only in the blood, but in the system, has been demonstrated in the case of a man, who, after suffering from chronic rheumatism and indigestion, and who had been advised to take the Tonic for kidney disease, she did so and her rheumatism disappeared. The reason is simple, disease of the kidneys produces rheumatic symptoms, cure them and you cure the rheumatism. This is now admitted by all intelligent physicians: it is the new light thrown on their time-worn and mistaken theories.
